

Parasson's

Italian Restaurant

My dad, the late Tony Parasson, started selling pizza at his mother's Barberton tavern in 1960. The following year he relocated to the site of our current Barberton restaurant, which was rebuilt in 1983. He called his first restaurant Tonyo's Pizza but later changed the name to Parasson's Italian Restaurant after expanding the menu to include pasta, subs & salads. Our Stow location opened in 1974 followed by our Akron location in 1975.

We believe in offering a simple menu that allows our staff to focus on the consistent execution of signature dishes unique to Parasson's. Our special recipe sauces are made from vine-ripened California tomatoes that are fresh-packed within hours of being harvested. Our mozzarella, provolone, mascarpone & ricotta are made from fresh, all-natural ingredients free of additives, fillers & preservatives. Our Pecorino Romano is imported from Italy. Our chicken & beef are fresh & all-natural. Our garlic butter, soups, salad dressings, breaded chicken cutlets, lasagna, pizza sauce & cannoli cream are prepared fresh in our kitchens each day from proprietary recipes perfected over time.

We are proud to be a local, family owned business that provides jobs to over 150 people & donates thousands back to the community each year. If for any reason you're not satisfied with your visit, please speak with the manager or contact me at parassons.com. Thank you for your support!
